

# ALL STAR Private Swim Lessons

NOTE: private lesson request forms must be submitted and lessons scheduled before payment can be accepted.

Private and adapted swim lessons are ONE on ONE instruction for adults and children ages 3 and older. These 30 minute sessions are scheduled on a mutually agreed time with the student & instructor. Pool location will be based on ability. Following your profile and request, you'll be contacted within 10-14 days by the Aquatics Supervisor or assigned instructor.

Adapted aquatics provides appropriate aquatic instruction to participants with disabilities. This system includes identifying, assessing, planning, instruction, & leading individuals with disabilities.

The cost for Cuyahoga Falls Residents & Annual Natatorium members

is \$30 for 30 minutes, \$40 for non-residents.

Fees must be paid at the front desk on the day of the lesson; receipts are required by instructor. Please allow time before the lesson to pay and change!
